
TRANSPORTATION IN BARI

Bari offers a comprehensive and eco-friendly public transportation system, primarily managed by AMTAB, the city's municipal transport company. Here's an overview of the available options:

AMTAB Bus Network

AMTAB operates a network of urban buses connecting key areas such as the city center, train station, port, and airport. The fleet includes traditional buses and a growing number of electric buses, with 99 new electric buses set to enter service soon, funded by Italy's National Recovery and Resilience Plan (PNRR) amtab.bari.it.

Ticket Options

- Single Ticket: €1.00
- 90-Minute Ticket: €1.20
- Day Rider Ticket: €2.50
- Carnet of 10 Tickets: €9.00
- Park & Ride Day Ticket: €0.30 (valid for shuttle buses A, B, and C)

Tickets can be purchased on board, at AMTAB retailers, or via the MUVT App. The MUVT in BUS 365 annual pass offers unlimited travel for €20/year to residents and students amtab.bari.it.

Metro and Train Services

- Bari Centrale Train Station: A major hub for regional and national train services, including connections to cities like Rome, Naples, and Lecce.

- Ferrovie del Nord Barese (FNB): Operates a light rail line connecting Bari to the airport and other towns in the region.
-

Getting to and from Bari Airport

There are several transportation options between Bari Karol Wojtyła Airport and the city center:

- AMTAB Bus Line 16: €1.50, approximately 40 minutes. Departures from the airport from 5:25 to 22:00, and from Bari Centrale from 5:20 to 23:00.
- FNB Train: €5.30, approximately 27 minutes. Departures from the airport from 5:00 to 23:20, and from Bari Centrale from 4:55 to 22:50.
- Tempesta Shuttle Bus: €5.00, approximately 30 minutes. Departures from Bari Centrale from 5:10 to 20:30, and from the airport from 7:30 to 01:30.

Tickets for these services can be purchased at the respective counters or via their official websites ESN Bari.

Taxis

Taxis are available at designated stands around the city:

- Bari Centrale Train Station (Piazza Moro and Via Capruzzi)
- Piazza Massari (near Castello Svevo)
- Madonnella (behind Istituto Tecnico Marconi)

Bike and Scooter Rentals

For short trips and exploring the city, consider using bike and scooter rental services:

- Vaimoo: Bike-sharing service with designated pick-up and drop-off locations.

- Bit, Lime, Vento, and Tier: Electric scooter rentals available throughout the city via their respective apps Reddit.
-

Smart Mobility Initiatives

Bari is enhancing its public transport infrastructure with smart technologies:

- Smart Bus Shelters: 110 new smart bus shelters equipped with real-time information and accessibility features are being installed across the city la Repubblica.
